

Burnet Elementary School

Cafeteria Behavior Plan and Tracking Charts

Cafeteria Plan and Rules

The following is the new cafeteria behavior plan for Burnet Elementary School. There will be 3 colored cups located at the end of each table. The colors are Green, Yellow, and Red. All students will start with Green cup on top. If behavior of the class is not acceptable, the color will be changed to Yellow cup on top. If the behavior is still not acceptable, the color will be changed to Red cup on top and the class will sit in silent lunch for the remainder of the lunch time. If the class remains on Green for the entire lunch period, the class will have 1 star towards getting a prize for each student from the treasure chest. The classes with 8 stars by the end of every two weeks will get to choose a prize from the treasure chest. **Teachers will not be able to use silent lunch as a consequence in the classroom unless they monitor their own silent lunch students during lunch. Silent lunch has not been effective unless the classroom teacher is monitoring those students. It is very hard for the cafeteria monitors to monitor all the classes and silent lunch students. Teachers will also have to pick there class up from the tables so they can be aware of what color their class received for that day.** We hope that this will eliminate some of the bad behavior that has been occurring during lunch. We need all teachers to reinforce the rules and help the monitors to successfully monitor lunch duty.

Rules

1. Students must go through the line only once.
2. Students must talk with quiet inside voices.
3. Students may not get out of seat without raising their hand and getting permission from cafeteria monitors.
4. Students must keep their table and floor area clean from all food and trash.
5. Students may not go and buy pencils or items from PTA until lunch is over and teachers have picked up students.

Behaviors that cause color change:

- class is too loud
- students getting up without permission
- table and floor is left messy with food and trash
- food being thrown at table
